Watch Out World!

On a cool fall morning in the second week of September, seventeen hundred students and one hundred twenty faculty members arrived at Chenango Valley for the first day of classes of the 1976-77 school year. Attitudes toward the upcoming school year varied. Some individuals entered with great enthusiasm, confidence, and optimism, while others wished they were still on vacation. For almost everyone, however, the pleasant thoughts of another enjoyable summer vacation seemed far away, as the long school year had just begun. Ten short months later, however, those same students and faculty members left school with many wonderful memories and a new feeling of enthusiasm, optimism, and success. Seniors and underclassmen alike, felt themselves saying, "WATCH OUT WORLD, WE'RE COMING THROUGH, NOTHING CAN STOP US NOW."

We've Got the Spirit So Let's Hear It!

The Varsity and Jr. Varsity Cheerleaders kicked off the 1976-77 school year with the annual Pep Rally. With an optimistic attitude carried over from the spring of last year when the Varsity Baseball team captured the S.T.A.C. Eastern Division Title, Warrior fans anxiously awaited the upcoming sports seasons. The Rally was the debut for Fall Sports Teams as well as the newly revived Pep Club. In its efforts during the year, the Pep Club was successful in bringing back the school spirit and pride that was the trademark of Chenango Valley several years ago. The Rally was a tremendous success as Mr. John Paske, the Varsity Football Coach, Mr. deLaurentis, assistant coach, and Mr. William Weckel, former J.V. Football Coach, gave rousing speeches that put the student body in a spirited frame of mind.

Many of the benefits of our high school experience were found outside of the classrooms. Sporting activities gave students an opportunity to develop and improve their physical and mental abilities. Although the satisfaction of winning has always been the utlimate goal of C.V. athletes, the most significant benefits were achieved through dedication and team work. This type of dedication was quite evident on the second string teams as well as the starting squads, as Warrior athletes worked together to try and make the "Old Alma Mater" top in S.T.A.C. Whether the sporting event brought success to the Warriors or not, the games, matches, and meets certainly produced many memories which are exciting and unforgettable to the Warrior athletes involved.

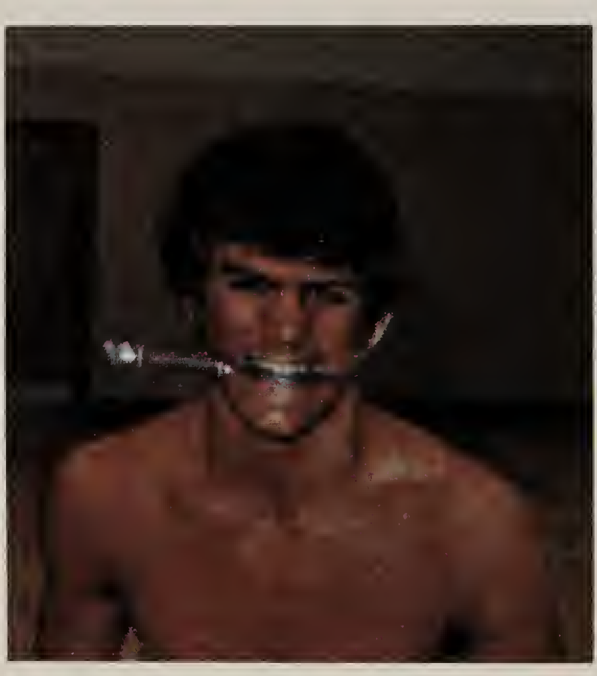
You Gotta Ease on Down the Road!

Although the average school day at Chenango Valley had its ups and downs, each and every day was unique and fulfilling, as it gave students the chance to be with their friends. Whether it was copying homework off a friend, playing volleyball, basketball, or football in gym classes, reading magazines in the library, hanging out by the bathrooms between classes, painting a picture or making jewelry in art class, playing cards in lounge or study halls, blowing up the chemistry lab, attending club meeting after school or just falling asleep in class, each school day was unique. Of course, however, the major portion of the day was spent learning. For many students, the educational part of the day was most important. These students discovered that a little bit of enthusiasm and perseverance makes the world of knowledge an interesting, and enjoyable challenge.

The Music, the Spotlights, the People . . .



Last spring, the Chenango Valley Drama Club and Music Department combined their talents in staging the famous Broadway Musical ANNIE GET YOUR GUN. The musical was performed on three consecutive evenings. In addition, a special matinee performance was given in memory of Miss Martha Millen, costume designer for Drama Club for over twenty years. The capacity crowds were brought to life by the fine singing, dancing, and acting, as the story of Anne Oakley came to life before their eyes.

The 1976-77 Warrior Marching Band, directed by Mr. John Cooley made itself known throughout the year. The long, hard hours of practicing paid off as the 125 member band took first place at the 1976 Tournament of Bands Competition. On the field, the band was led by drum major Nancy Russell and color guard captain Peggy Tayler. The band proved itself to be a tremendous asset to the pride of Chenango Valley.

Who Needs College?

During the year, Chenango Valley witnessed many new fads, fashions, trends, and issues. The latest fashion for girls was gauchos (opposite page, upper left), while for boys it was vested suits (opposite page, right center). Ornately decorated vans (opposite page, upper right), and disco music became popular. At the same time, hard rock groups such as "Kiss," (opposite page, lower left) "Arrowsmith," and "Orleans" remained prominent. C.B. radios, men's jewelry, and female hitchhikers became in vogue. School spirit began to return to C.V. with the efforts of the revived Pep Club (opposite page, lower right).

On the national level, the big issue was the presidential election. Three great debates were held between Gerald Ford and his challenger Jimmy Carter (left center). On the local level, Interstate "88" (upper right) remained a controversial issue, while Port Crane School (lower left) was closed because of the decrease in student enrollments. College (lower right) became an uncertain undertaking for high school seniors, as tuition costs continued to increase.

Don't walk in front of me
  I may not follow
Don't walk behind me
  I may not lead
Walk beside me
  And just be my friend

Football Review

This year the small C.V. Warrior team conquered the two big names in STAC football, Vestal and Maine-Endwell. Chris Oswald, who led the STAC in passing, combined his kicking, running, and passing skills to drive C.V. to a 27-26 victory over Vestal, its first in history. Then to end the season on a winning note, the mighty Warriors defeated M.E. 8-6 bringing their season's record to 5-4. The team ended with a winning season for the second year under the fine coaching of John Paske (left). C.V. had many outstanding players this year. Seniors Chris Oswald, Rick Aiken, Dave Stroka, and junior Andy Bobik were named to first team All-STAC. Junior Rob Nearing was named to the second team and senior Mike Nolan received honorable mention. Chris Oswald, because of his excellent performance in the Vestal game, was awarded the Sun-Bulletin Athlete of the Week. Oswald's favorite receiver, Rick Aiken, placed second in STAC receptions. Dave Stroka, Andy Bobik, and Mike Nolan led the powerful defense to a fantastic year while the two Nearing brothers, Bill and Rob, helped lead the team offensively.

The J.V. team, although having a 1-8 record, showed great promise for the future. Coaches Marble and Andre continue to improve their team's skills and have prepared them to play varsity football.

Baseball Review

The C.V. Warrior baseball team once again captured the Eastern Division Championship. The team, under the excellent coaching of Mr. Milo DeCastro, defeated Johnson City to become champs for the second consecutive year. Unfortunately, they lost the STAC championship to Vestal 5-4 in a controversial game that lasted a controversial nine innings. But the C.V. team ended the season with a successful 12-4 record. Players who contributed to such a fine year are Dave Wertman, Jon Gaffney, Rick Ruffo, John Tarbell, and Kris Brown. Coach DeCastro hopes for another excellent season with Mark Fiato, Les Piatt, Bob Hatton, and Mark Utter returning this year.

Basketball Review

This year the Varsity basketball team suffered another rough season. The squad, under the direction of Coach Bill Case, ended the season with a 2-14 record. The Warrior team had many close games throughout the season. Outstanding players were Chuck Thorne, Rick Aiken, and Mark Gallo. Chris Oswald, who missed the beginning of the season, came off his injury and was fine on the court. The team missed Dana Gregory, who was injured in the beginning of the season. The J.V. team was 9-4 and only one game away from the Eastern title. Pete Lasicki and Dan Lyons led the young and promising Warriors to an impressive season. They lost many close games including two overtime losses.

Two roads diverged in a
yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as
I could
To where it bent in the undergrowth;

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood,
and I -
I took the one less traveled by,
And that has made all the
difference.

Nobody ever added up
The value of a smile;
We know how much a dollar's
   worth,
And how much is a mile;
We know the distance to the sun,
The size and weight of earth -
But no one's ever told us yet
How much a smile is worth.

Whose woods these are I think I know.
His house is in the village though;
He will not see me stopping here
To watch his woods fill up with snow.

My little horse must think it queer
To stop without a farmhouse near
Between the woods and frozen lake
The darkest evening of the year.

He gives his harness bells a shake
To ask if there is some mistake.
The only other sound's the sweep
Of easy wind and downy flake.

The woods are lovely, dark and deep,
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep.

- Robert Frost

Let's Have Fun

Do you see what I see?

I don't know whether I'm coming or going!

Beauty is in the eyes of the beholder.

Penny Kolts makes up for the occasion.

Mr. Weckel "kids" with a mystery teacher. A band member catches a few winks between competitions. Mrs. Millham and Mrs. Oczkowski talk after a hard day at school.

I want to make this perfectly clear!

Happy the man, and happy he
  alone,
He who can call today his own;
He who, secure within, can say,
''Tomorrow, do thy worst, for I
  have lived today.
Be fair or foul, or rain or shine,
The joys I have possessed, in spite
  of fate, are mine.
Not heaven itself upon the past has
  power,
But what has been, has been, and
  I have had my hour.
- Horace

During the school year, the Varsity Club continued to sell popcorn at home football games and to provide coffee and hot chocolate for faculty members during the school day. At Christmas, the club donated one hundred dollars worth of athletic equipment to the children's home in Hillcrest. At graduation, Varsity Club once again gave a commencement award to a student of outstanding athletic ability.

The '76-'77 Key Club has participated in many area projects, including working in a flea market and money making breakfast for the benefit of Multiple Sclerosis, Auction 46, and the concession stands at the Kiwanis Travelogues. The club also sponsored the program for home football and basketball games and was responsible for the nameboard at the basketball games. More service projects are planned for the school and the community.

Red Cross Youth is a service organization whose activities include preparing disaster kits with school and personal necessities for children involved in fires, flood, etc.; supplying materials for Senior citizens groups; a gift Fair for the mentally handicapped at the BOCES center; sponsoring the first Red Cross Blood Donor Program for C.V. Seniors.

The Varsity Cheerleaders brought back a lot of school spirit with the help of the new Pep Club. The cheerleaders also participated in summer camp which helped them build many new mounts for Basketball season. The King Football Dance was sponsored by the cheerleaders. The cheerleaders worked at a football concession stand, and they made "gimmicks" for the school and players weekly to help promote spirit. The Varsity coach is Mrs. Copeland, and the J.V. coach is Mr. Kleeman.

The Senior High Ski Club's program this year consisted of lessons and free skiing at Innsbruck U.S.A. on Wednesday nights. Some students also raced at the high school races there on the same night. The club's trip this year was to Gore Mountain, in mid-February. Money was raised for this trip through various fund-raising activities.

The Junior High Ski Club went to Innsbruck U.S.A. on Tuesday nights this year to participate in lessons and free skiing. The members of the club were in various levels of skiing ability and were put in various groups for lessons according to their ability. Their advisor is Mrs. Ernstrom.

This spring, the Chenango Valley Drama Club continued its annual tradition of staging a Broadway Musical by producing the famous musical, THE MUSIC MAN. The show was the story of a con man who traveled to River City, Iowa to con the citizens into buying musical uniforms and instruments which he didn't really have. However, he falls in love with Marian the librarian. The near capacity crowds greatly enjoyed the performances, as several familiar songs such as "Ya Got Trouble," "Seventy-Six Trombones," "Wells Fargo Wagon," and "Till There Was You" brought back memories of the gay nineties.

Inside Out, a literary magazine devoted to short fiction, poems, essays, reviews, artwork, and photographs had two issues published. This year one issue was published in the winter, one in the spring. The advisor is Mr. Morgan.

Mathletes, a small group of students who travel to various schools to compete using mathematics problems, had six matches this year. The problems cover information taught on the tenth or eleventh grade level but they usually have an unusual twist on complexity which make them difficult.

The Chess Club meets once a week to allow students to play a friendly game of chess while improving their playing skills. The chess team participates in the Southern Tier Scholastic Chess League. The team play is between five and seven matches with other league schools to determine an overall league championship.

Senior High Library Assistants: ROW 1: Terri Drobak, Penny Churchill, Doug Miller, Nichola Lewis. ROW 2: Mrs. Brader, Debbie Wheaton, Kathy Rieder, Theresa James, Pam Dayton.

Under the guidance of Mr. Van Keuren, Mrs. Brader, Ms. Muldner, and Mrs. Booth, the Senior Library Assistants and the Junior Library Assistants provided service to the school in many ways. Library Assistants made the work of the Library easier on the staff - checking out books and shelving returned ones. Stage Crew handled the technical side of activities put on by the school or school organizations. Some activities were the Drama Club, plays, Travel Logs, Pep Rallies, and other assemblies.

The Chenango Valley Student Council kicked off the social calendar of the 1976-77 school year with the First Fall Fling in September. At Thanksgiving, Council collected enough canned foods and purchased enough turkeys to feed five needy families in the district. One month later, Council brought the Christmas spirit into the school building by holding its annual Christmas Tree Contest. The clubs and organizations involved also collected 250 Christmas gifts for needy families. In January, Council welcomed back Chenango Valley alumni at the first Homecoming Dinner-Dance ever held. This year, a Homecoming King was crowned as well as a Homecoming Queen. During the year, Council participated in student exchanges with other area schools and attended meetings of the Southern Tier Association of Student Councils. At graduation, Council once again gave a commencement award to a student of outstanding academic and extracurricular achievement.

ROW 4: Rosie McAvoy, Susan Dougherty, Gayle Stevens, Mary Anne Thayne, Janette Salisbury, Pam Smith.

This year the Latin Club participated in the annual Student Council Christmas Tree Contest. The Club won first place for originality with its theme of "A Candy Christmas." Also, Latin Club had planned to run a concession stand at Johnson City vs. Chenango Valley Basketball game. However, the game was cancelled due to the gas crisis.

This past year Spanish Club used their talents in making pinatas. One of their best pinatas was used in decorating the Home Ec room during the Faculty Tea. The club also went on a trip to New Jersey.

French Club's main "raison d'etre" has been to make enough money so that all interested members will be able to go to Quebec City for four days in the Spring. We manage through various fund raising projects to go every other year. In Quebec, the students experience first-hand, the French culture and get a chance to practice the language.

Smoking Committee: Beth Trattel, Ann Smith, Terry Church. ABSENT: Jean Linville.

To Help Themselves

The Receptionist's job is to greet and assist visitors to our school. This past year, these girls proved to be of value to the guests of Chenango Valley.

Smoking Committee is a youth chapter of the Broome County Council of Smoking and Health. The committee spends about an hour with each fourth grade class in this school district. Many aspects plus the pros and cons of smoking are discussed. Smoking Sam helps the committee demonstrate the actual happenings when you smoke.

The Health Office assistants have done many talks this year to make the Health Office run a little more smoothly. Among these are: taking temperatures, making out student information cards, signing passes, and weighing and measuring students. The assistants help others while learning new things themselves.

Health Office Assistants: Terry Cook, Laura Hamel, Carol Wildrick.

This year, the 1977 WARRIOR yearbook staff consisted of twenty-four ambitious people. Yearbooking is probably the most involved school activity. This staff worked many, many long hours producing the book. The yearbook schedule started way back in May of 1976 with organizational meetings and training seminars. Summer was no vacation, as staff had to get together to meet their first deadline. As they soon discovered, the yearbook days pass quickly; for those creeping deadlines can consume many a Saturday.

This year's staff hopes that the 1977 Warrior is an award winning edition. Special recognition is in order to Mr. Ralph VanKuren, the yearbook staff advisor, who throughout the year, in helping, contributed his ambitions to make this year's book larger and more colorful than any previous C.V. yearbook.

The Chenango Valley Choir shared its talent with many people this year. The choir performed three concerts. The Christmas concert gave everyone in the audience a chance to join the choir in singing "The Hallelujah Chorus."

Besides the regular three concerts, the choir sang additional exchange concerts in Plattsburg, New York. The choir is under the direction of Richard Buchmaier.

The Chenango Valley Warrior Marching Band gained much experience this year by participating in many field band competitions. The highlight of the year was taking three first places in the Tournament of Bands.

Besides providing spirit at the football games and entertaining the fans during halftimes, the band marched in several exhibitions and parades. The annual fruit sale initiated by the band helped to raise money for its trip in the spring.

Blazing Saddles?

Judy Hanson coaxes her mount onward.

Pete Smyk makes his way to the basket.

Sue Dineen manages to hang onto the ball.

Mr. Newton goes on the offense.

Mark Whitford haulin' "donkey."

This year the Annual Donkey Basketball game was sponsored by the Choir. The game proved to be very successful, and a fun event for all involved. The whole game was divided into two separate games. In the first game, the Choir challenged the Band, and the Choir won with the score 8 to 2. High scorer was Mark Whitford. In the second game, the Seniors challenged the faculty. This game was very close and exciting! Pete Smyk scored the winning basket for the Seniors, making the score 10 to 8! The previously undefeated faculty suffered their first loss in seven years! Congratulations Choir and Seniors!

King Football — the Climax of a Winning Season!

In November, the Varsity Cheerleaders sponsored the annual King Football Dance. The dance proved to be an exciting event as Varsity Football coach, Mr. John Paske, crowned star quarterback, Chris Oswald, King Football 1976. A colored slide presentation showing scenes from summer workouts and several of the regular season games, was one of the several highlights of the evening. Quite certainly, the King Football Dance was a great way to top off the Warriors second consecutive winning season.

King Football Chris Oswald enjoys a dance with cheerleader Kelly Devine.

Varsity Football coach Mr. John Paske adds his words of congratulations and thanks his team for a winning season.

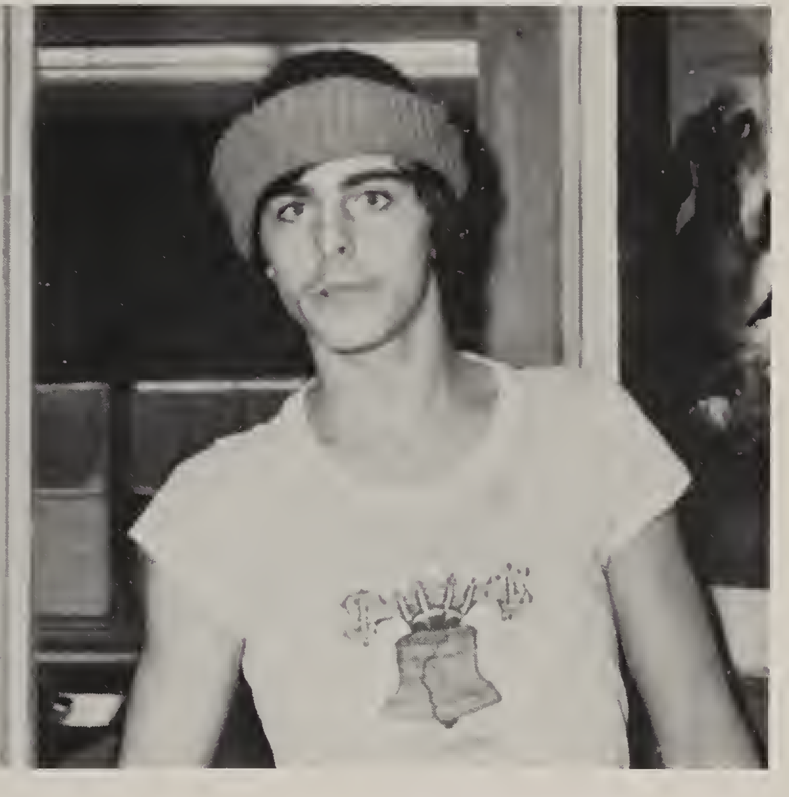
It Takes All Types of People . . .



. . . to Make Up the World!

"But to the Colors Red and Gray . . ."

The most important aspect of my high school life was the friends I shared it with . . . I'm very greedy - I want to get the most out of life by doing everything I possibly can. The extracurricular program at CV is excellent, ranging from sports to music to art to language clubs. Extensive travel . . . helped to broaden my knowledge outside of the classroom. I know even though I have enjoyed some things in high school - this is just the beginning - things have got to get even better!!!

- David Howland

High School has meant growing up with people from all walks of life and understanding them for what they are . . . being able to hold my own high standards. Being in various clubs, participating in sports and being a cheerleader has made me open to different experiences. I placed cheerleading as my highest priority . . . The academic program at C.V. stands normally as compared to other schools . . . It is up to each student individually as to how much or well they are willing to apply themselves. Although I will always hold cherished memories of high school, I feel my life has just begun.

- Tammy Serafini

The most significant aspect of my six years here at C.V. has been my friends, my peers and the teachers who have had much influence on my life . . . they were always there giving encouragement . . . Being in music a lot, I've met many friends. Spending much time with them . . . you get to see how you and others act under pressure. I gained much confidence in myself through my accomplishments . . . I'll probably never have as good a chance to meet friends and spend as much time with them as I did during high school.

- Don Whitman

Being in drama club was a good experience in working with others for a common goal. It developed my patience and made many fond memories for me to look back on . . . I feel that I'm definitely prepared for my freshman year of college . . . My high school years were years of great excitement, happiness, and sorrow . . . I gained a lot of confidence in myself . . . I know people change, no one knows who will succeed or who will fail in life. That's why I will never forget how we were at Chenango Valley . . . I really loved Chenango Valley and all the people that go there.

- Helen Hines

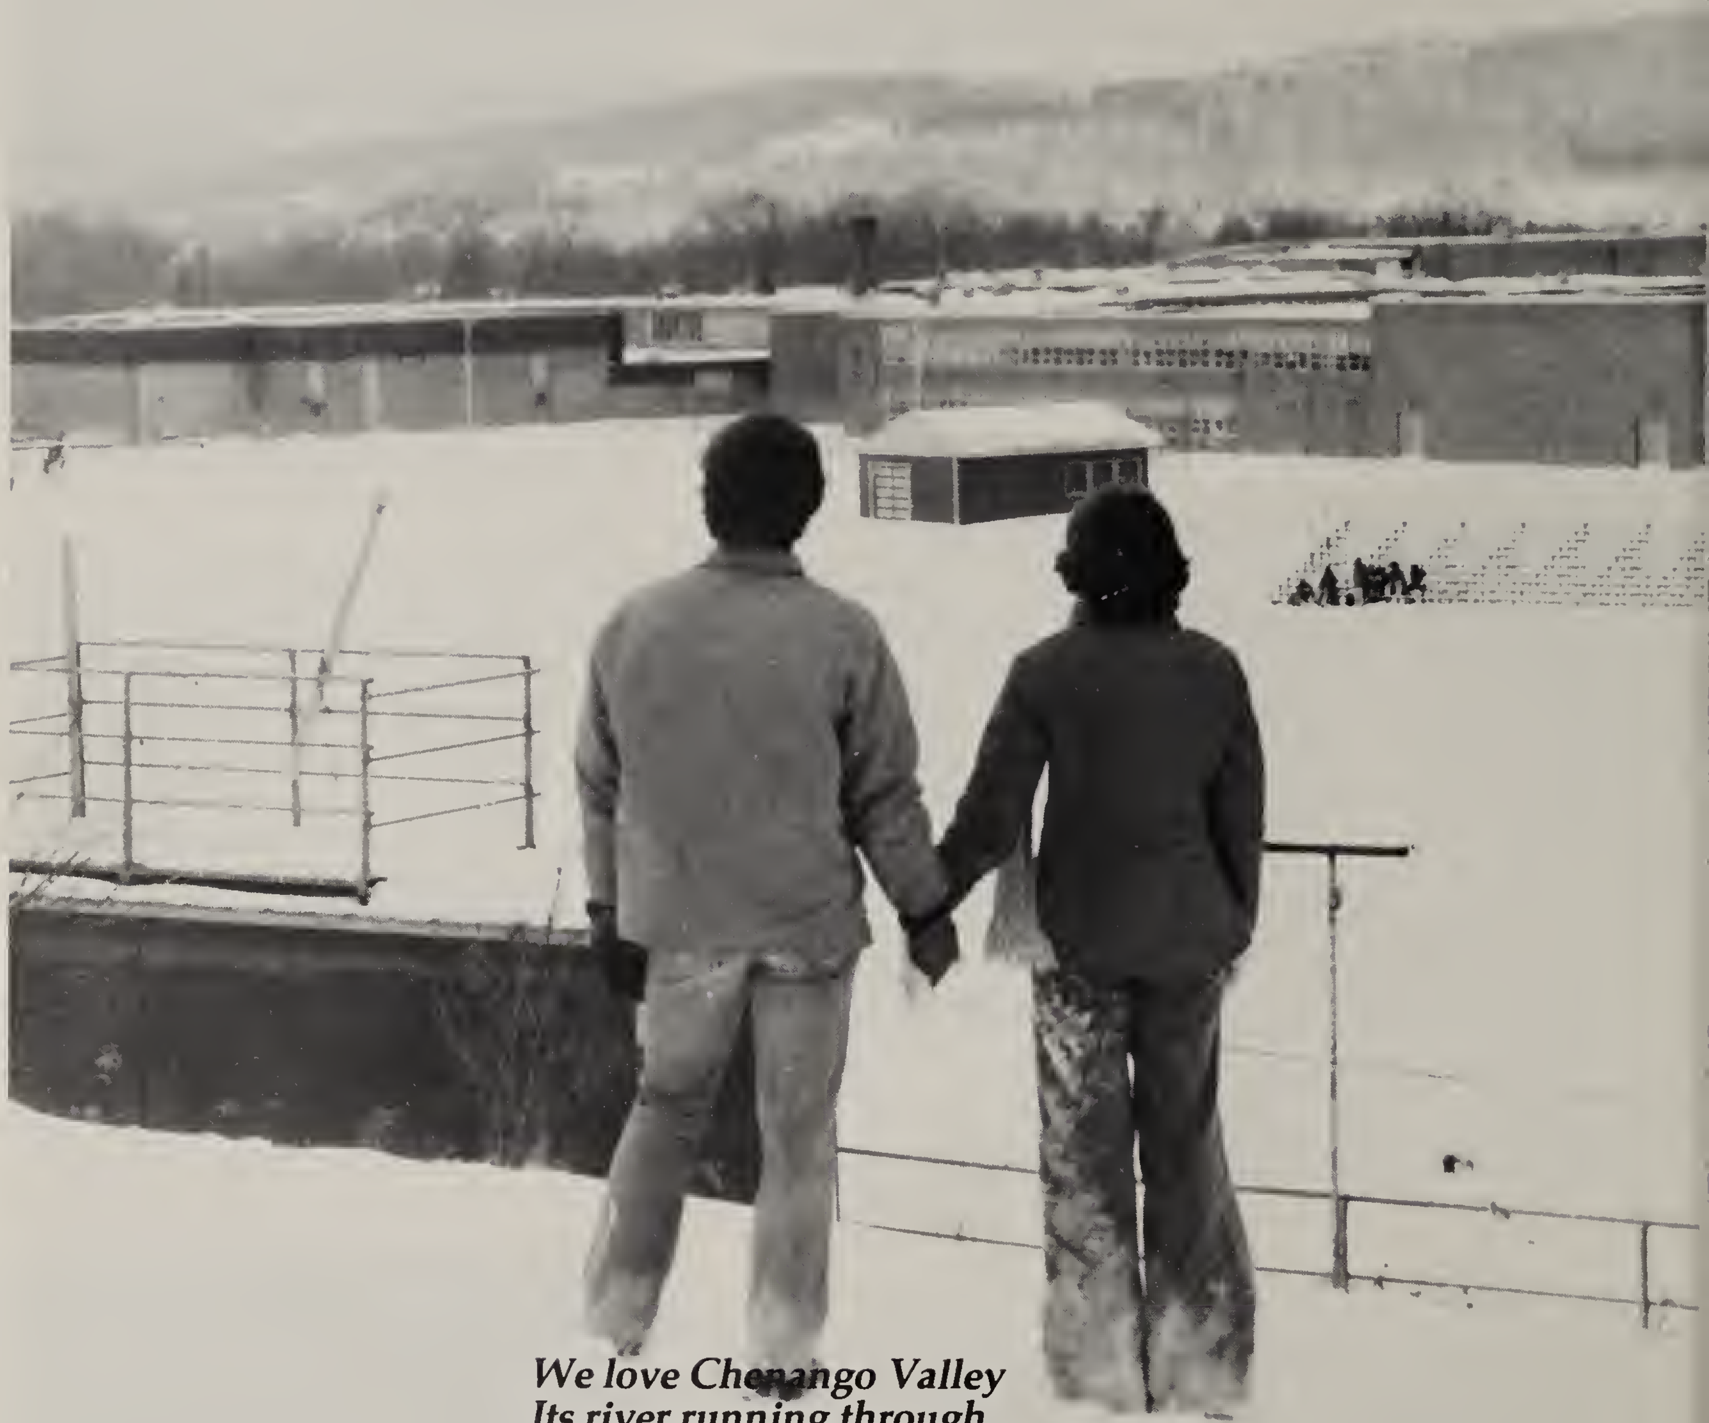
Students will realize how much they have developed when they graduate to higher education, or to life itself . . . Extracurricular activities made high school more rewarding and enjoyable. They were important to me in that they helped me to learn to participate as a part of a team, learn leadership, and communicate with others - a very important part of a student's growth . . . High school will be one of the biggest factors of my development in life and society after school. These past years have opened my eyes and helped me to see the many facets of life - good and bad.

- Rick Miller

In high school, I learned that a person can be what he or she desires. One must set a goal, have confidence, and their goal will be reached . . . As far as expressing myself, activities were where I found I could be more myself than at any other time during high school . . . Cheerleading has not only brought out my personality for dealing with Chenango Valley students, but has also allowed me to meet people from other schools . . . I believe that high school is an experience that, if undertaken correctly, can prepare anyone emotionally . . . I am sure that someday I will consider my days of high school "the best days of my life."

- Bonnie Heim

. . . We'll Ever More, Be True!



We love Chenango Valley
Its river running through
We love the hills around us
Reaching to the sky so blue.

When high school days are o'er
We'll strive to paths anew
But to the colors red and gray
We'll ever more be true.
